

Processo di registrazione

Un referente di area ti inviterà via email a registrarti alla piattaforma. Riceverai un'email simile a questa:

Completando la registrazione potrai **creare o rivendicare il tuo profilo di ricercatore e caricare e gestire i prodotti della ricerca** all'interno della piattaforma.

Con questo ruolo potrai:

- Creare il tuo **profilo di ricercatore** o crearne uno **per conto di altri ricercatori**
- **Rivendicare la proprietà** del tuo profilo, se è già stato creato da qualcun altro
- **Trasferire la proprietà** dei profili che hai creato per altri colleghi
- **Caricare e gestire prodotti della ricerca**, sia tuoi sia di altri ricercatori

Registrazione

Durante la registrazione dovrai indicare le tue **aree di riferimento**.

- Se hai partecipato al progetto **GRINS PNRR**, seleziona la **Thematic Area principale**, corrispondente allo **Spoke** di appartenenza.
- Puoi inoltre selezionare, in modo **facoltativo**, una o più **General Thematic Area** per indicare ulteriori ambiti di interesse o competenza.

Accesso e rivendicazione del profilo

Effettua il **login**: verrai indirizzato alla tua **area riservata (dashboard)**. A questo punto possono verificarsi due situazioni.

1. Esiste già un profilo ricercatore associato a te

Può accadere che un profilo sia già stato creato da altri utenti, ad esempio perché qualcuno ha caricato un **prodotto della ricerca** di cui sei autore.

In questo caso, nella dashboard vedrai un **messaggio di attenzione** che ti invita a **rivendicare (claim) la proprietà del profilo**.

The screenshot shows the GRINS Foundation Reserved Area Dashboard. At the top left, there is a navigation bar with the GRINS logo and 'RESERVED AREA'. Below this, there are links for 'Exit from reserved area' and 'Reserved area > Dashboard'. The main content area is divided into a sidebar and a main panel. The sidebar contains sections for 'OPERATIONS' (Research products, Researcher profiles) and 'UTILITY' (Support, My account, Log out). The main panel displays a 'HELLO' message and a large 'Welcome to your dashboard' heading. Below this, a prominent notification box with a red warning icon and the text 'CLAIM YOUR RESEARCHER PROFILE' is shown. The notification states: 'A researcher profile matching your account already exists. Please claim ownership of the profile. Your request will be reviewed and approved by an area coordinator.' A large number '1' is displayed in the background of the notification. At the bottom right of the notification box, there is a 'CLAIM YOUR PROFILE' button with a right-pointing arrow. Below the notification, there is an 'ACCOUNT INFORMATION' section with the following details: PROFILE TYPE: Research Affiliate, REGISTERED USER: test dinamo, E-MAIL: test@dinamodigitale.it. An 'EDIT' button with a pencil icon is located at the bottom right of this section.

Per farlo:

1. Clicca su **Claim**.

2. Invia la richiesta di rivendicazione.
3. Attendi che il **creatore del profilo approvi la richiesta**.

Una volta approvata, il profilo diventerà tuo e potrai **modificare e completare la scheda ricercatore** come preferisci.

The screenshot shows the 'Edit researcher profile selected' page in the GRINS reserved area. The page has a header with the GRINS logo and 'RESERVED AREA' on the left, and a user profile icon on the right. Below the header is a breadcrumb trail: '< Exit from reserved area' | 'Reserved area >' | 'Research Profiles >' | 'Edit'. On the left side, there is a sidebar menu with 'Dashboard' at the top, followed by 'OPERATIONS' (Research products, Researcher profiles), and 'UTILITY' (Support, My account, Log out). The main content area contains the following form fields:

- FIRST NAME**: Input field with 'grins' entered.
- LAST NAME**: Input field with 'user' entered.
- GRINS THEMATIC AREAS**: Dropdown menu with 'Select grins thematic areas'.
- GENERAL THEMATIC AREAS**: Dropdown menu with 'Select general thematic areas'.
- EMAIL ADDRESS**: Input field with 'testgrins@dinamadigitale.it' entered.
- JOB DESCRIPTION**: Input field with placeholder text 'Enter the current job description or role (e.g., Researcher, Project Manager, PhD Student)'.
- JOB TITLE**: Dropdown menu with 'Select job title'.
- AFFILIATION**: Input field with placeholder text 'Enter the name of the institution or organization'.
- BIO**: Input field with placeholder text 'Enter a brief biography of up to 1000 characters, highlighting expertise and research interests'.
- PERSONAL WEBSITE**: Input field with placeholder text 'Paste the link to the personal or institutional website (if available)'.
- PROFILE PICTURE**: Input field with placeholder text 'Scegli file Nessun file selezionato'.

At the bottom right of the form is a green button labeled 'SAVE CHANGES'.

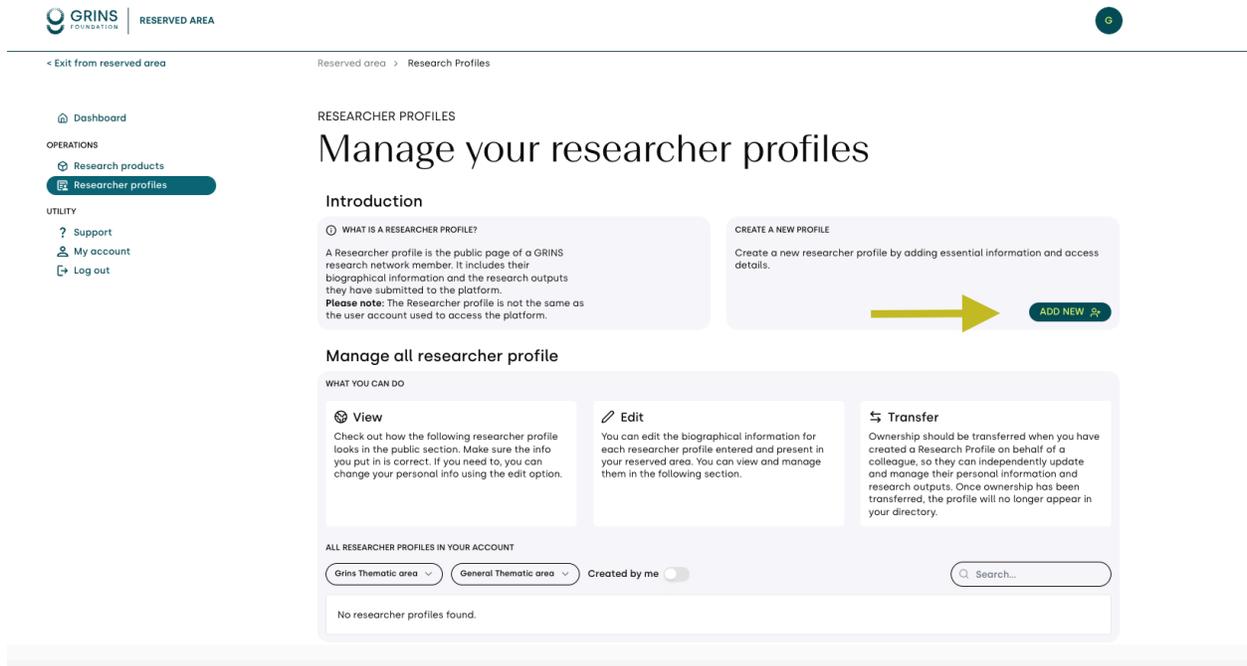

2. Il profilo ricercatore non esiste ancora

Se non esiste ancora un profilo associato al tuo utente, dovrai **crearlo da zero**.

Per farlo:

1. Vai nella sezione **Researcher Profile** dell'area riservata
2. Clicca su **Create profile**
3. Inserisci le **informazioni personali e accademiche** richieste
4. Salva il profilo

Una volta creato, il tuo **profilo ricercatore** sarà visibile nella parte pubblica della **piattaforma** e potrai iniziare a **caricare i prodotti della ricerca**.

RESEARCHER PROFILES

Manage your researcher profiles

Introduction

WHAT IS A RESEARCHER PROFILE?

A Researcher profile is the public page of a GRINS research network member. It includes their biographical information and the research outputs they have submitted to the platform.

Please note: The Researcher profile is not the same as the user account used to access the platform.

CREATE A NEW PROFILE

Create a new researcher profile by adding essential information and access details.

[ADD NEW](#)

Manage all researcher profile

WHAT YOU CAN DO

- View**
Check out how the following researcher profile looks in the public section. Make sure the info you put in is correct. If you need to, you can change your personal info using the edit option.
- Edit**
You can edit the biographical information for each researcher profile entered and present in your reserved area. You can view and manage them in the following section.
- Transfer**
Ownership should be transferred when you have created a Research Profile on behalf of a colleague, so they can independently update and manage their personal information and research outputs. Once ownership has been transferred, the profile will no longer appear in your directory.

PERSONAL CONTACTS
m.cervellati@unibo.it
[Personal website](#)

Professor of Economics since 2011, he earned his PhD in Economics in 2005 from UPF Barcelona. From 2013 to 2016, he served as Head of Department and Director of the PhD Program. He is the scientific coordinator of the GRINS – Growing Resilient, Inclusive and Sustainable project, funded by the NRRP, and President of the GRINS Foundation. His research covers political economy, economic demography, unified growth theory, democratization, and the theory and empirics of cultural values. He studies the origins and implications of economic and political institutions, as well as the role of human pathogen exposure in shaping social interactions and civil conflicts, using georeferenced disaggregated data. He has published in journals such as American Economic Review, Econometrica, Review of Economics and Statistics, AEJ Macroeconomics, Economic Journal, Journal of Economic Growth, Journal of Public Economics, among others. He has been principal investigator of projects funded by

Inserimento dei Research Products

Un'altra operazione che puoi svolgere sulla piattaforma è **inserire prodotti della ricerca e richiederne la pubblicazione**.

Come inserire un nuovo prodotto

1. Vai nella sezione **Research Products** dell'area riservata
2. Qui troverai l'elenco dei prodotti già presenti
3. Clicca su **Add New** per inserirne uno nuovo

Compila tutti i **campi richiesti**.

The screenshot shows the 'Add a new research product' form in the GRINS reserved area. The form is titled 'Add a new research product' and includes a 'SAVE AS DRAFT' button. The form is divided into sections:

- SECTION 01: Main Information**
 - TITLE:** Enter the main title of the research product.
 - EXTENDED TITLE:** If applicable, enter the extended or alternative title.
 - ABSTRACT:** A rich text editor with options for Paragraph (P), Heading 6 (H6), Bold (B), Italic (I), Underline (U), List, Numbered List, Bulleted List, Link, Unlink, and Paragraph (P).
 - NON TECHNICAL ABSTRACT:** Write a plain-language summary of the research product (max 1000 characters), accessible to non-specialist readers.
 - LANGUAGE:** Choose the main language of the publication.
 - PRODUCT TYPE:** Select the type of research product.
 - OPEN ACCESS:** A toggle switch.
 - PUBLICATION DATE:** A date input field in the format gg/mm/aaaa.

NB. Sezione Research Profile (autori)

Presta particolare attenzione alla sezione **Research Profile**, dove devi indicare **gli autori del prodotto della ricerca**.

Puoi:

- **selezionare profili ricercatore già presenti** nella piattaforma
- oppure **creare un nuovo profilo ricercatore** se non esiste ancora

Quando crei un nuovo profilo ricercatore **non stai registrando quella persona alla piattaforma.**

Stai semplicemente **creando la sua scheda pubblica di ricercatore**, anche in modo inizialmente parziale, per poter **associare correttamente l'autore al prodotto della ricerca.**

Successivamente, quella persona potrà essere **invitata a registrarsi alla piattaforma.**

Una volta registrata, potrà **rivendicare (claim) la proprietà del proprio profilo** e completarlo autonomamente.

The screenshot shows a web interface for managing researcher profiles. On the left is a navigation sidebar with the following items: Dashboard, OPERATIONS (with a sub-item 'Nessun file selezionato'), Research lines, Research projects, Research products (highlighted in a dark blue bar), Researcher profiles, and Events. Under UTILITY, there are links for Network, Support, My account, and Log out.

The main content area is titled 'Researcher profile' and includes the following sections:

- OPEN ACCESS:** A toggle switch that is currently turned off.
- PUBLICATION DATE:** A text input field containing 'gg/mm/aaaa' and a calendar icon.
- SECTION 02:** A section header for the profile.
- Researcher profile:** A descriptive paragraph: 'A Researcher profile is the public page of a GRINS research network member. It includes their biographical information and the research outputs they have submitted to the platform.' Below this is a **Please note:** 'The Researcher profile is not the same as the user account used to access the platform.'
- SEARCH & ADD RESEARCHER PROFILE:** A search input field containing 'agueda' and a search icon. Below it is a checkbox for 'Agueda Solis Alonso'.
- Attachments & Links:** A section header for managing attachments and links.
- PRODUCT ATTACHMENT (TO GENERATE THE OFFICIAL GRINS DISCUSSION PAPER SERIES COVER, UPLOAD YOUR PAPER AS A .PDF FILE ONLY.):** A file selection input field with the text 'Scegli file Nessun file selezionato' and a description: 'Upload a new product attachment to replace the current one.'
- PUBLICATION WEBPAGE:** A text input field with the instruction: 'Paste the link to the official publication webpage (if available)'.
